President's message

Whew! The G20 is over, the helicopters have stopped buzzing and the VIP's have left town. On the horizon, there's only Santa to look out for now.

Don't forget your special Christmas gift for your Windana child and a mother - email me if you have lost your description and I will re-send. We will have a giving ceremony around the tree at the dinner meeting to celebrate.

We will have a special program of music and Christmas carols led by our newest member Emma Duncan on piano and our "older" member Rhonda with bells and whistles.

Don't forget to tell your friends about our wonderful wines on offer so they can place their orders for Christmas festivities.

I hope no-one has suffered any serious damage from Thursday night's storm - please let me know. We have good news about our venerable Joan Godfrey: she is home from hospital and rehab. Joan, we hope you will feel up to attending our Christmas celebrations.

Merry Christmas to you all and enjoy your summer break until our next meeting in February.

SUSAN DAVIES
PRESIDENT

It's time to Zizzle!

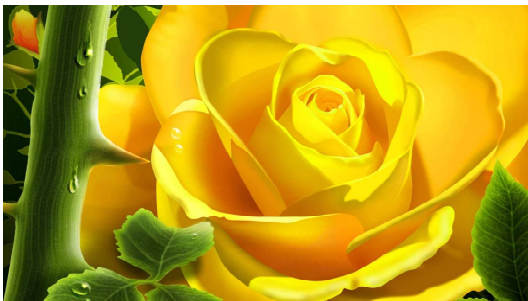

Bunnings Stafford have notified us of the dates on which we will operate the

BBQ over the next six months. Please contact Susan Davies if you are free to Zizzle on any of these Thursdays for 3-4 hours. It's time well spent: we raise about \$700 each time we do!

Memorial to Judy

McLeod Country Golf Club has accepted our offer to donate yellow roses to plan in their Judy Anderson memorial garden. Please contact Susan Davies if you would like to donate a yellow Zonta rose (florabunda seems like their preferred rose) in memory of Judy. The cost will be \$30 each.

Wine: not just for Christmas!

You can now order wine online and benefit Zonta every time you do. With 6 packs for wine for just \$60, you can't go wrong with Zonta wine this Christmas! [Click here to order now.](#)

Congratulations on a successful Zonta Fashion Showcase

Well done to everyone involved in putting together and attending the Zonta Fashion Showcase.

The Home Away from Homelessness for women will be

much better off, with **\$81,828.24** raised on the day.
