MERRY CHRISTMAS &
HAPPY NEW YEAR

Presidents Message

Merry Christmas Everyone,

Another year has passed so quickly. It doesn't seem long ago that we were having dinner meetings. Now the Christmas tree and lights are up, and I have a reindeer in my lounge room. And now it's only a month until we can meet again.

Our club can be proud of its achievements over the past year. Our birthing kits have saved lives, our breast cushions have comforted many, and I'm sure our knicker and toy donations have been put to good use. Personally, one of the greatest things I have found about Zonta is that you can take on the challenge of trying something new and you have help and support from so many people around you.

Enough reminiscing, let's look forward to a productive 2022. We will be meeting once again in January 2022, and we will be able to achieve more.

Enjoy the Christmas/New Year festivities. Best wishes for 2022 to all.

Hi all not much news at the moment, hopefully we will have an uninterrupted year of meetings in 2022.

For those who know her, Shirley Whipps phoned me yesterday, someone has given her pink satin and she rang to see if we wanted it, will see her next week when she drops it in. still sounds the same and still doing some work. Ursula is still alive Has some dementia and was 90 earlier this year. Sure, I will have further info after I see her.

Have a great Christmas and a Happy, Busy Zonta New Year.

Merle
