info@zontaredcliffe.org.au

The Zonta Club of Redcliffe with the assistance of Flick Chicks, Bendigo Bank and other sponsors, have produced this DVD to help Breast Cancer patients, their families and friends to understand the journey they are about to take.

This is an ongoing service project of the Zonta Club of Redcliffe and the cost of the DVD is purely to produce the DVD which We would ask that Clubs who purchase as part of their service projects also supply to patients at no cost to them.

Our aim is to have as many of these DVD's made available to patients through the local hospitals, Allied Health Services and other professionals in Australia. We can do it with the help of Zonta Clubs and other Service Clubs throughout the Country.
