## Our 16 Days of Activism Against Gender-based Violence

We conducted an awareness campaign using cut-outs representing all the women who have died to violence thus far in 2015. At the start of our campaign, to our sadness, this was the tragic number of 76 women.

The cut-outs were first presented at the White Ribbon Day Breakfast (run by Combined Rotary Clubs of Gladstone Region) and then groups of the cut-outs were placed at various locations around the region. A media and social media campaign formed part of our action.

Thank you to all the organisations for hosting the cut-outs and our sincere condolences to the families and friends of these victims.

Zonta Club Gladstone was certainly well represented at the White Ribbon Day Breakfast which was run by the Combined Gladstone Rotary Clubs.

This was held on Wednesday 25<sup>th</sup> November 2015  
We wore white and our "Zonta Says No" badge and listened to some inspiring speakers including Zontian Jody McMullen. Our orange lady cut-outs were displayed around the hall.
