Advancing the Status of Women Worldwide

Fellow Zontians

As it is the beginning of a new Zonta year, it is time for a number of administrative activities. The Nominating Committee is still beavering away to come up with a slate of candidates for next month's AGM. It can be a rather thankless task and I again urge members, who have not yet served a term in an Executive role to please seriously consider doing so, I know that Norma would love to hear from you, as well as a number of long serving members hoping for a break or just taking on more work at District level! This month annual dues' notices will also be received for your attention.

This month I also require all members to return their completed 'Club Committee Assignment Request forms 2008 -2009', so that I can formalise allocations for committees post the AGM. It is also time to add up all those hours of service contributed and funds raised & donated and send me your individual stats for compilation and return to District 24 and Zonta International.

In May we will have our AGM and we also have Berenice Payne officially address our meeting in her

capacity as Area 4 Director. June will be handover month for the Board and planning for Committees and Club and July will be the Zonta International Convention and then in August we can relax and enjoy our Club's twenty - fifth birthday.

In preparation for the ZI Convention, we need to consider a number of issues to be raised, with delegates needing to vote on a range of business items at the Convention. Last month I forwarded everyone the link to the 'Club Mailings March 2008' on the Zonta International website. If you have not already done so, please go to this link and download, print off and read the documents, so that you come to the April meeting prepared to discuss these and make your voting choices known to our delegates.

'Til next time.

Jan.
