

Zonta International
Advancing the Status of Women Worldwide

Longreach Club of Zonta

You get to meetings once a month

Working for women and on the hunt

It's not that hard to volunteer

In our community we get a cheer

Plans go ahead for events of the year

Lots of food and maybe a beer

IWD and Christmas in July

In a flash the years gone by

Longreach Club of Zonta

Every year on March the eighth

IWD's annual date

Cooking and catering on the make

Two thousand grand we did make

An annual highlight Christmas in July

Pudding and poetry we did try

The choir did sing and we had a go

Once again a mighty show

Supporting women including girls

Effort and energy not just curls

Workshops meetings and conferences too

Planned and delivered just for you

To this workshop we did bring

A little ditty for all to sing

Switch your brain on and sit up straight

Being Zonta it's always great
