

Zonta award recognises CQU academic results

KELLY Tapa was the recipient of the 2015 Zonta Encouragement Award which is offered to women enrolled in the STEPS program at CQUniversity.

The award is presented to a female student who has achieved the highest academic result for the program.

The STEPS program is a bridging course which enables students who have been unable for any reason to complete their secondary schooling, to progress to enrolment in an undergraduate degree.

Kelly is continuing her university studies with a Bachelor of Digital Media Degree.

Kelly was congratulated on her achievement and presented with the Award by Zonta Chair of Service, Berenice Payne.

The support of women in education is one of Zonta's objectives and Zonta clubs worldwide offer similar awards for female students.

The Zonta Club of Rockhampton sponsors two other awards for women studying at CQUniversity.

These are the Zonta Encouragement Award for female students of Paramedic Science which was won by Amber Barker, and the Zonta Encouragement Award for students of Engineering which was won by Lindsay Stafford.

The Zonta Club of Rockhampton began sponsoring awards for students at CQUniversity in 1985 and will continue to do so into the future.

Zonta is proud of its 30 year association with the university.

WINNER: Kelly Tapa receives her Zonta Encouragement Award from Zonta Service Chair Perenice Payne.
