Trish off to improve women's lives

ROCKHAMPTON'S Trish Collins is about to fly to Texas, USA, where she will be installed as a Zonta District Governor. Later this month Trish will travel to San Antonio in Texas to attend Zonta's 60th International Conven-

tion, where she will be installed as the District 22 Governor for the 2010-2012 biennium. About 2000 Zonta delegates, including Elizabeth Acton and Jan Landsberg of the Rockhampton Zonta Club, are expected to attend the convention

to represent the 33,000 members of 1215 clubs in 67 countries. The convention will afford members networking and fellowship opportunities that come from being part of an international organisation which deals with women's issues in

a substantive way. Zonta's primary focus is to improve women's lives and it is a partner with the United Nations at the global level in order to achieve this aim. Delegates will vote to support international projects for the coming

biennium, which will be delivered through the United Nations to the women of underdeveloped countries. This theme of Service, Improving Women's Lives, is also the basis of projects undertaken in the local community by the

members of the Zonta Club of Rockhampton. At the June club meeting, members of the Zonta Club of Rockhampton congratulated Trish on her upcoming installation as Governor of Zonta District 22, representing Queensland.

Trish was presented with a bouquet of yellow roses to celebrate the event. Rockhampton Zonta president Margaret Anderton spoke on behalf of the members, pledging support and wishing Trish well in her new role.
