## Zonta Club of Mount Isa

### President's Report for July 2007

Hello everyone

**PRESIDENT:**  
Frederique Glasco

**VICE PRESIDENT:**  
Shannon Ward

#### District 24

School holidays are over and the routine is re-established. We are glad to have Vera back and well, and hopefully we'll be able to visit with her on Wednesday. Welcome home Vera.

How dare they schedule the State of Origin game on the same night as OUR board meeting! Fortunately we were able to finish the meeting on time to watch the game also.

Thank you to all members and guests for helping with the care packs last meeting. They were distributed immediately, thanks to Ralphine and Meredith, and they made life a little bit easier for the recipients. The power of team work: such a little contribution from each of us but a big result for many.

The District Conference in Tweed Heads is planned for the weekend of the 7th-9<sup>th</sup> September, please check your schedule and let's try to gather a big group of Zontians from Mount Isa to show off our good work.

Wednesday we will start gathering the lists of names of potential guests for the September "Introduction of Zonta to the Public" invitations. Please bring as many names as you can compile so we can organise a successful event and be proud of being Zontians.

I am making sure this report is short so we can all have a good look at the novelties our Newsletter Master, Sue, has concocted for us.

See you soon, Frederique  
PS Have you dusted the walking shoes yet?

## **Zonta Wine & Cheese Night Friday 14 September**

Please don't forget to send names and address of women you would like to invite to the Zonta Promotion -Wine & Cheese night on Friday 14<sup>th</sup> September. We need names in order to send out and receive back the RSVP's in time for this event.

Bear in mind that we are not attempting a membership drive, it is really an exercise to get our name out there in the community so that people are aware of the good work we do, so do not feel that we will be asking everyone who comes to the night to become a member. Every member must know a few people who would like to enjoy a nice night out and learn about our good work at the same time.

Please bring your suggestions to the meeting OR send your list to:

**ZI District 24 Conference**  
 Twin Towns Services Club, Tweed Heads, NSW  
 7th—9th September 2007  
**'LOOKING BACK – LOOKING FORWARD'**

*This conference provides the opportunity to learn more about Zonta, catch up with old friends, make new acquaintances and relax and indulge yourself in various recreational activities in the beautiful environs of the Tweed coastal area. On top of this there will be thought provoking guest speakers.*

And so the promotional spiel goes- look it up for yourself at [www.zontadistrict24.org](http://www.zontadistrict24.org)

It is now time for anyone who is intending to attend the conference to make bookings etc so that you can get a decent fare. The club will pay your registration fees of \$285.00 as well as the \$60.00 for the dinner on the Saturday night (I will need to know before the end of the month to get the early bird rate). Frederique is going and she would really love some company. It is expensive to travel from Mount Isa, however the conference may tie in with a business trip or even a holiday that you are undertaking at the same time. Accommodation costs can be shared and you will find the expense and effort are **Very Worth While!**

I have attended the past four conferences and am very loathe to miss this one, however I am expecting a new Grandchild between the 3<sup>rd</sup> and 10<sup>th</sup> of September here and then another one in Brisbane on the 26<sup>th</sup> of September, so I will be otherwise engaged at the time!!! Have a good think about attending – I can thoroughly recommend it.

We had loads of fun putting together the Care Packs at our June Meeting.
