

16 Days of Activism – 25 November to 10 December 2016

DAY 11. 5 DECEMBER 2016

SEXUAL ASSAULT

- * Sexual assault is any unwanted or forced sexual act or behaviour without your informed consent.
- * The majority of victims/survivors do not report their experiences of sexual assault to police – survey data indicates that 8 out of 10 victims did not report their most recent experience of assault.
- * Sexual assault can be carried out by intimate partners as well as friends, associates or strangers.
- * An estimated 1.3 million women and 362,400 men have experienced an incident of sexual assault since the age of 15. This translates to 1 in 6 women and 1 in 20 men.
- * Almost 1 million women reported experiencing sexual assault before the age of 15; more than 90% of these women knew the perpetrator.
- * 337,400 men reported experiencing sexual abuse before the age of 15 with 80% of these stating they knew the perpetrator.
- * The ABS Recorded Crime Data for 2015 reported 7,464 victims of FDV-related sexual assault recorded nationally. (Note: data are not published for Queensland and Victoria). There were five times as many female sexual assault victims as male victims; more than four out of five victims of FDV- related sexual assault experienced victimisation at a residential location.(ABS Catalogue 4510.0, 2015).
