## Words from our President

Hello.

We certainly know that Winter has arrived! Don't be surprised if I wear a hat to our Dinner meeting!

I'm sure you are all aware that Catherine Drynan's mother, Marie, passed away last month. Our thoughts are with you Catherine. Marie was very fortunate to have Catherine to care for her in the same home she was born! Not too many people can claim that record.

After making some enquiries, it looks like we will have a High Tea with Fashion Parade on Saturday, 11<sup>th</sup> September, but more about this at the meeting.

We have received word from Lions and the Show Society. We won the tender to supply workers to 'man' the gates at the Show. Please give this more thought as we will have a roster circulating at the meeting. You may like to bring your Hon-Zon along to help out? (That's your partner)!

Margaret Brennan is hoping to organise a Breast Cushion stuffing/filling morning at her home. Please see dates suggested on another page of this Newsletter. On this subject, I'd like you to please thank Judy Manderson if you see her in town. She helped me to cut out 100 cushions!

Thanks to Gerry who has sent out flyers to other schools in the District and promoted the Domestic Violence Art Competition at Assembly earlier this week.

Although we were only a very small group last month's Dinner Meeting, the Committees have all got projects on the go! Thank you to all concerned.

We welcome Denise back from the Convention. She will have a report for us. Looking forward to it.

If you haven't received your copy of the 'Zontian' from Zonta International could you please let me know? Now that we have had the Convention, we have a new International President - Dianne Curtis. Dianne has written a very interesting article, and there are a couple of pages about herself. A very dynamic lady. Speaking of dynamic women, Trish Collins is our new District Governor, and Denise Conroy is the Chairman of the Legislative Awareness and Advocacy (LAA) Committee. So a couple of Queenslanders are helping to run this great organisation at the top level.

I hope to see you all at the meeting.

Cheers,

Ellen

I look forward to telling you all about International Convention and will answer the question posed on the second page.

Another question I will ask is "who has said No to Domestic Violence" ? To be able to answer yes - go to Zonta International website ( www.zonta.org ) and click on the Say No icon.....There are no repercussions only positive results - i.e. showing that there are many women who care eventhough it doesn't affect our own lives. This is LA&A. You don't even have to be registered as a Zontian to do this but of course, we would like all of our members to be registered. If you need help with this let me know.

This is my first newsletter in my "new" club and I hope you will forgive any errors. Many thanks to Sharon for past newsletters and for doing it while I was at Convention.

If you have any photos you would like to include just forward them onto me.
