OUR 2021 Area 3 Meeting

The past twelve months has been a difficult time for many of us – both personally and for our Clubs. How have we managed and how will we move forward in a different world?

This will be the subtheme for our meeting complementing the biennial goal of “*Transitions, Change and New Opportunities*”.

Setting the theme will be our special **Guest Speaker – Petra Lapis B Com LLB LLM FIPA FFA**. Petris has worked as a tax professional, law lecturer, chief financial officer, senior trainer, consultant, external author and director. She has qualifications in business, law, coaching, performance consulting and hypnosis and has been trained as a senior mindfulness trainer for the world’s leading corporate mindfulness group. Petris has contributed to committees and boards for a number of professional and sporting bodies. She has consulted to industry, government and the non-profit sector. Petris has also published several books

and hundreds of papers. She lives life with humour and leaves audiences feeling empowered to make easy practical changes to improve their working and personal lives. Audiences love her light hearted, warm and engaging approach to even difficult subjects. Programs by Petris have featured in magazines, professional journals and online publications for a wide variety of industries. Petris has received numerous presenter of the conference awards at both National and State conferences.

Lynne Foley OAM, Zonta International Leadership Development Committee Chairman and member of the Zonta Club of Brisbane City Heart Inc will speak on leadership and facilitate our Round Table discussions. Lynne is an exciting motivational speaker, who is passionate about leaving her audience with new ideas and thoughts, full of confidence to break through personal and professional barriers. She has a particular interest in working with women of all ages to engage with their skills and capabilities, to develop new insights into individual behaviours. With significant experience in inspiring leaders from all levels of government, business, industry, and not-for-profit, Lynne works with all levels of management: boards, senior executives, middle management and newly appointed or aspiring leaders and managers.

Four of our Area 3 Clubs will tell their story of the impact of the last year on their Club operations:

Zonta Club of Beaudesert Inc, Zonta Club of Brisbane City Heart Inc, Zonta Club of Brisbane East Inc and Zonta Club of Brisbane Sunrise Inc

The program also includes updates on Zonta international and District 22 Ltd matters with District 22 Governor, Bridget Mather PSM, District 22 Lieutenant Governor Lyn Agnew and District 22 Ltd Treasurer Christine Carr all giving presentations.

The program concludes with the opportunity to ask questions of our panel and of course there is time for fellowship with your fellow Zontians over morning tea and lunch.
