Champagne Dinner

with renowned
Brisbane based
Champagne Educator
and
Champagne Consultant
Bernadette

O'Shea

Bernadette met her life's partner more than 30 years ago when she was given a glass of champagne for the first time. It was more than a mere epiphany - it was an event that has shaped her life and her career, and has influenced the lives, thoughts and drinking habits of countless folk over the past 2 decades. Bernadette has released her first book, Champagne and Chandeliers, which takes the reader on a wild ride of tasting notes, dinners, and momentous events.

Come along and enjoy a glass of champagne while being entertained by Bernadette.
