

Zonta is in the Christmas spirit

ZONTA Club of Blackall Range had a celebratory Christmas dinner on November 21, the last for 2023. This was preceded by our annual packing event.

Essential toiletries for women seeking refuge went into pretty handmade bags and this year we also assembled basic pantry items for the emergency accommodation.

Books for children, a small

Rita and Gillian about to get us underway on our annual packing night.

toy and a gift for a woman completed the package.

A big thanks to Rotary for

their community grant so we could add extra items for women and children.
