Planning is progressing well for the IWD Expo 2020. I am very excited about such a unique event and know that the IWD committee is putting in a lot of work behind the scenes to get the inaugural expo off the ground. Thank you to all!

The IWD website explains the IWD theme for 2020, which I found interesting:

#EachforEqual is about 'Collective Individualism'

The IWD 2020 campaign theme is drawn from a notion of 'Collective Individualism.'

We are all parts of a whole. Our individual actions, conversations, behaviors and mindsets can have an impact on our larger society.

Collectively, we can make change happen. Collectively, we can each help to create a gender equal world.
