President's Message

Did you know? Zonta International proudly celebrates its 82nd birthday on November 08 (founded in 1919). At our dinner meeting this month we will take some time to become familiar with Zonta International which, through its Foundation, supports international service projects and educational fellowships to improve the quality of life for women.

I took the opportunity to meet with Norma, Jacki, Berenice and Elizabeth last week to glean as much as possible from the Tamworth Conference. Three key messages have emerged – which we will endeavour to respond to over the coming months.

Website: All members will be provided with an opportunity to gain skilling in the use of the internet and to explore our Zonta website.

Zonta International Projects: Commencing with this month's dinner meeting we will explore how our club can best contribute to these projects.

Grants: As a club we can lighten the pressure of fundraising by exploring available grants. A starting point will be via contact with our local members of parliament.

advancing the status of women worldwide

With Xmas fast approaching, it is time to organize our biscuits and nuts sales. You will find an order form in this newsletter. Please take time to fill it in and fax to Elizabeth immediately so that we can take delivery of our order well before the December meeting.

Jacki's comprehensive report from the Tamworth Conference is enclosed for your reference

In conclusion, our condolences to Wendy Christie whose mother recently passed away.

Regards

Trish Collins

**From the District 24 Website.
From Lieutenant Governor Robyn Gaspari.**

**Let us recognise and salute Ann Selle
from the Botany Bay Club in Sydney, NSW.**

As membership Chairman I would like to initiate a new item in membership. At the conference we had the opportunity to recognise clubs for their great work in membership. I felt that something wonderful came to fruition that weekend which had been the dream of one member, picked up by her club, then clubs in her area, by our district and finally by both Districts 23 and 24—the whole of Australia. What an achievement! Let us recognise and salute Ann Selle from the Botany Bay Club in Sydney, NSW. The current President, Andy McNeill was concerned that the fact that it was Ann's perseverance and determination to launch the "breast cushion campaign" as a club service "hands on" project, may get lost in the excitement of the service program becoming our first National project since the splitting of the districts. Botany Bay club was only chartered in June, 1994—not a bad effort for a club only 7 years old.

There are many other unsung heroines in our district. If a member of yours has done something outstanding that could lead, or has lead, to promoting the ideals of Zonta International and attracting new members to our organisation. Please let me know so we can be inspired by their efforts as we recognise and value their leadership and initiative. Please don't forget to Post Notices of appreciation to Ann Selle!!

(I posted a notice of congratulations to Ann on the website for our club.)

Article taken from

Focus—Newsletter of the Royal Brisbane Hospital Research Foundation.

Thanks to the masterful skin culturing skills of Queensland Skin Bank scientist Peter Gillies, many RBH Burns Unit patients have benefited from this new process by receiving a graft of their own skin, which is readily accepted by their body, immediately seals the wound, reduces the risk of infection and speeds up the patient's recovery.

The Skin Bank was made possible by the farsighted generosity of Zonta International Clubs in Queensland and Northern New South Wales, with contributions to date totaling \$143,000 plus a gift of \$200,000 from the Estate of the late Tom and Dorothy Cook, also the help of the Lions Club, Rural Fire Brigades, Cressbrook Committee (Royal Children's Hospital) and scores of caring Queenslanders.

(Zonta Club of Rockhampton to date has donated \$2000.)
