# Vice President's Report

## Jenny Eldridge

Hi Ladies,

While Karen is away in Adelaide, here is just a short report for March.

You have all heard a fair bit of news on our wonderful IWD breakfast but I would just like to express thanks to Faye Marley for the wonderful work she put into coordinating the breakfast.

Also, here is a short extract from the Zonta District 22 newsletter that I quoted at the breakfast and is worth repeating here in case you have not seen it:

*"Zonta International envisions a world in which women's rights are recognised as human rights and every woman is able to achieve her full potential. In such a world, women have access to all resources and are represented in decision making positions on an equal basis with men. In such a world, no woman lives in fear of violence."*

Here are a few items discussed at our recent Board meeting and to be taken to the next dinner meeting:

- the nominating committee have met and will bring nominations to the next dinner meeting;
- new uniforms proposed were discussed – some options/thoughts to be presented;
- an idea – firming up the end of year handover to ensure new office bearers take over straight away rather than at changeover.

Finally some random pieces of information which may interest you:

- Some great gardening workshops coming up - The Southern Downs Regional Council is holding composting and worm farming workshops at Warwick 6-8 pm on 23 March, and Stanthorpe on 25 March.
- Leafmore Garden Society Winter workshop in Toowoomba 17-18 June 2015. I went last year and loved it. Just need to Google them.
- And for education– check out MOOC (massive online learning courses) – you can learn just about anything mostly free from the world's greatest universities. Karen's husband Martin and I are both enrolled in a course: *The discovery of the Higgs Boson* (particle physics) but if that sounds too geeky – there is history, philosophy, computer/IT studies etc. It is great tertiary level stuff.

See you all at the dinner meeting.

Regards

Jenny

Zonta Club of Warwick Inc celebrated International Women's Day with a breakfast held at Horizon's Restaurant, TAFE College, on Thursday 5<sup>th</sup> March.

This year's theme was '3 Women 3 Journeys' and our Guest Speakers spoke about life changing events that tested their Conviction, Commitment and Courage. Each presentation linked to service projects targeted by Zonta Club of Warwick during 2014-2015: Advocating for optimal education for girls, Young Women's Development, and Breast Cancer support.

**Rebecca Lancaster** took over ownership of a local law practice in 2013, practising in the areas of Property Law, Commercial Law, Family Law, and Estate Planning and Administration, and overseeing the practice of a team of 14 full-time and part-time employees. Rebecca highlighted her conviction, commitment and courage in persevering with her education despite changes in her personal life. She has attained Bachelor of Law, Bachelor of Business, Graduate Diploma in Legal Practice while raising 2 young children as a single parent.

**Hailey Cosh** is the Youth Development Officer for Southern Downs Regional Council. She has worked in this role since 2012, following 2 years working for Southern Downs Industry Education Association in a youth work case management role. Hailey's career plans were interrupted when she chose to leave tertiary study (in teaching field) to help care for her father during his terminal illness. She displayed her conviction and commitment to family, and her courage in relaunching a career path in a new role, which she is enjoying immensely.

**Julie Hauff** is a Detective Sergeant in the Qld Police Service, working in Child Protection and Investigation Unit. Julie was diagnosed with breast cancer 10 years ago, when her children were aged 1 and 4 years. She displayed her conviction and commitment to family to ensure their security and happiness and her courage undergoing cancer treatment and dealing with uncertainty for her future.

At our International Women's Day breakfast we presented this year's winner of the *Young Women in Public Affairs Award* – **Alice Wu**, who impressed through her commitment to school and community activity, and her awareness of international and status of women issues.
