### From the President:

eNewsletter: May 2015

Dear Fellow Zontians,

Those members who attended the Longreach Area meeting were well rewarded for the long drive with an interesting program and further insights into Zonta. The drive gave us the opportunity to see how devastating the drought is in the area as well as some time for discussion of Zonta issues.

Our AGM is coming up this month so please be sure to make a special effort to attend. Now is the time to begin thinking of our planning for the next twelve months. Remember, many hands make light work so please be prepared to stand up and take on some roles/jobs to share the load around.

### Please note:

If you are unable to attend the dinner meeting, please advise Anna Tempest Ph: 4928 7880 (W) Ph: 4928 7125 (H) by 10 am on the Monday before the meeting. Failure to apologize will incur payment of \$30.00.

We also need to consider when our functions will be over the coming year as well. As always we need to drive our new membership forward and I know our Membership Committee is working hard on this. We have had a number of new members into our club and this is always rewarding. Unfortunately, we have also had some resignations, so our club remains around the same number. It would be good to increase our numbers (and share the workload) so any and all ideas on how we can do this need to be considered.

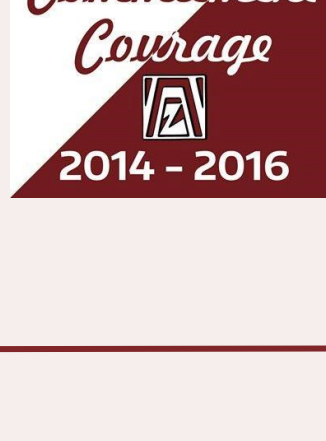

Also take time to look at the Zonta International and Zonta District websites. There is always something new being posted. Also, our Zonta Facebook page is updated and Jan receives notifications when people 'like' or 'share'. This spreads our word a little further.

Until next month  
Regards,  
Rosalie.

### Area 2 Meeting—Longreach

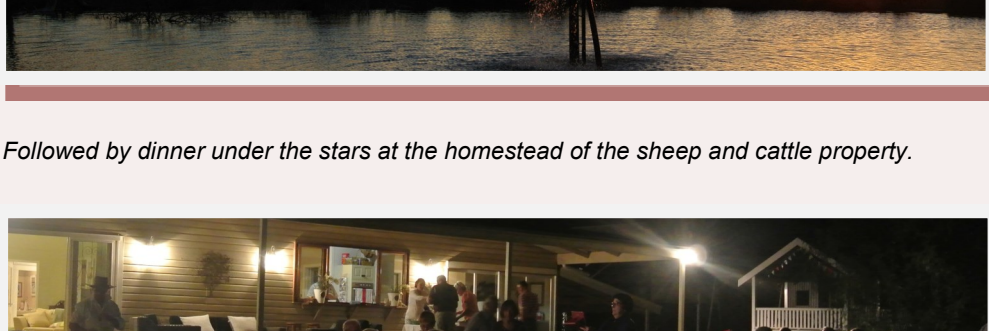

Many thanks to the members of the Longreach Club who made us so welcome at the recent Area 2 Meeting. A full report on the Meeting is available [here](#).

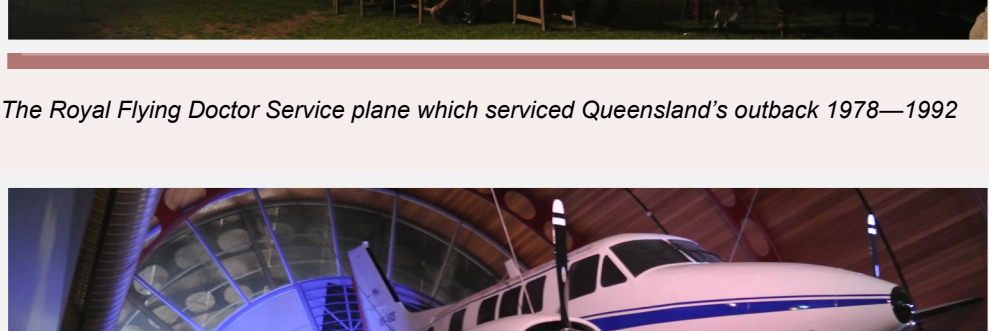

One of the benefits of attending Area Meetings is the opportunity to enjoy the tourism aspects of the location. Longreach has much to offer with The Stockman's Hall of Fame and The Qantas Museum in the town. The Qantas Museum and surroundings proved to be a great venue for the meeting and we also attended a very entertaining show at The Stockman's Hall of Fame. Those of us who had extra time also enjoyed some of the local attractions.

Wine and cheese by the artesian bore while watching the sun set in the west.

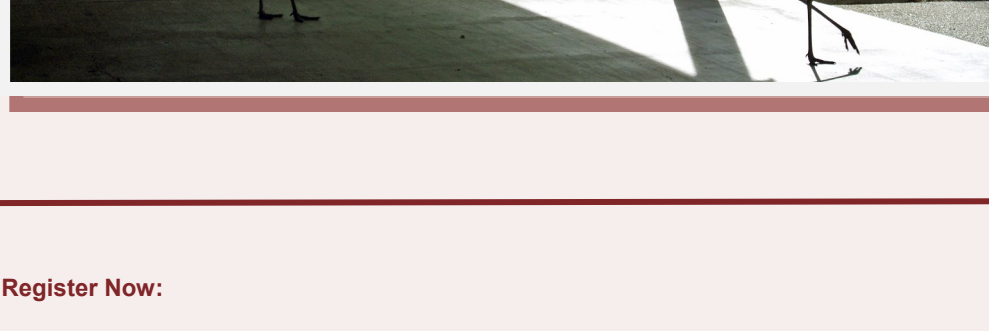

Followed by dinner under the stars at the homestead of the sheep and cattle property.

The Royal Flying Doctor Service plane which serviced Queensland's outback 1978—1992

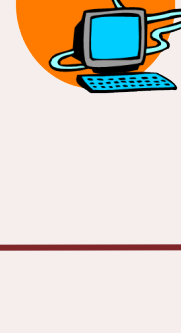

And because of the drought, the brolgas came to visit.
