President's Message:

eNewsletter: January 2019.

Welcome to Zonta 2019

Our goal ...to have well attended, productive meetings.

I hope you've all had a happy Christmas break. Our travellers, Elizabeth, Jan and Trish are no doubt enjoying exciting overseas experiences.

For the rest of us, we are organising our IWD Breakfast on the 7th March. I am sure this year as always, our breakfast will start our year on a positive note.

We are looking for entrants for the YWPA Award – Students return to school very soon, and we will be approaching the secondary schools in our district for entrants.

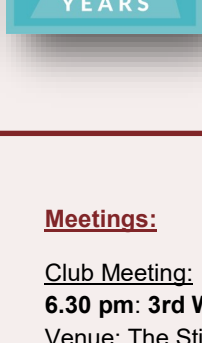

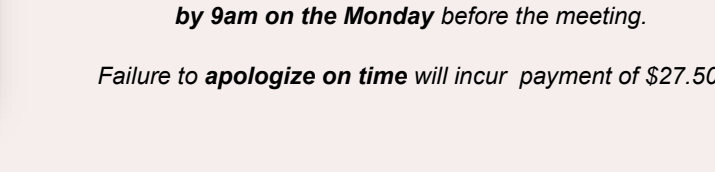

If you have new workmates, please encourage them to consider joining Zonta. It's a great networking group locally, state-wide and internationally.

Our Area meeting will be at Hervey Bay, which will be a very pleasant weekend of meeting old and new friends in Zonta.

I look forward to seeing you at our January meeting next week.

Best wishes,
 Meredith

Breast Care Cushion Working Bee:

A Breast Care Cushion working bee will be held at iSew on Saturday 19th January, commencing at 9.30am. Please bring scissors.

Service Chair Jenny would like to hear from those who plan to attend.

As a Zontian, you are empowering women through service and advocacy, locally and globally.

Message from Area 2 Director Sandy Peters:

Area 2 Workshop 27th and 28th April 2019.

"You will note the name change from "meetings" to "workshop". The theme of the 2019 D22 Area Workshops will be "Embracing the Next Century".

The district has decided parts of the program already and it will be finalised in January eg. a Cyber Café to learn, ask questions, to explore (members will be encouraged to bring their laptops or tablets) and learn Zonta websites and Facebook pages.

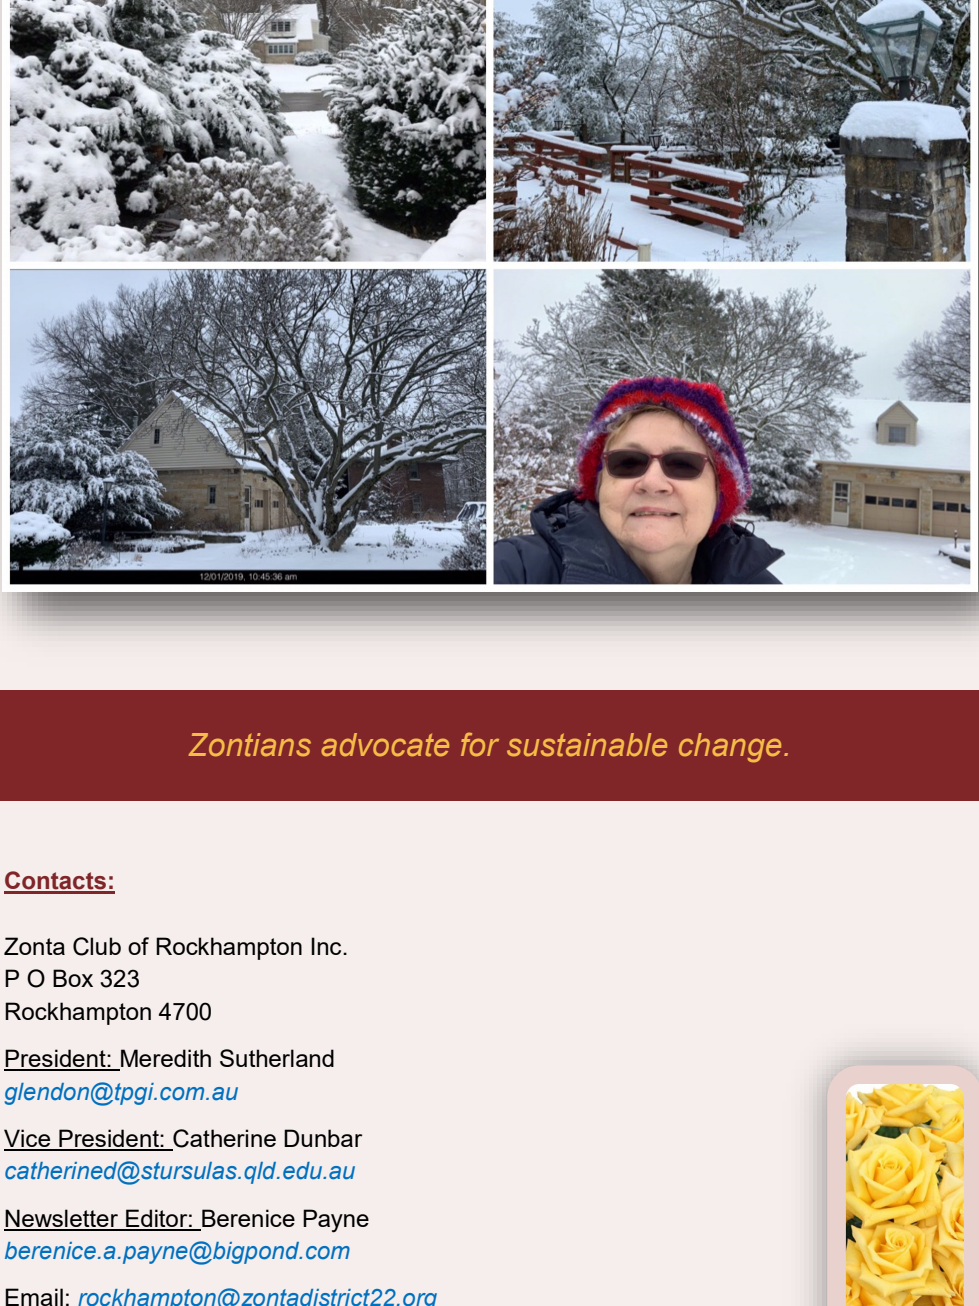

Attendance gives an opportunity for our Area 2 members to experience, network, learn, to share and to meet the D22 Board, some committee chairs, other Area 2 club members. A Flyer will be out shortly to allow your attendance planning".

The Workshop will be held at Hervey Bay, a coastal city in southern Queensland, widely known as a site for observing humpback whales. Whale-watching boats operate during the July to November migration season. It's also a hub for tours to nearby Fraser Island, which has beaches and features a rainforest habitat for dingoes and other wildlife. A waterfront esplanade links the city's marina with beaches offering calm waters for swimming.

As a Zontian, you are achieving global impact through local action.

Although our travellers didn't get the White Christmas they wished for, at last they have the snow and plenty of it by the photos. We wish them more happy days on their holiday.

Zontians advocate for sustainable change.
