President's Message:

eNewsletter: November 2017

Dear Zontians,

This month we have several things to be proud of - a superb High Tea, a very successful Blue Illusion event, another successful Pamper Pack Working B and great fun and fellowship. Our thanks and congratulations to the organising committees and all members who assisted in any way with the great successes of the past month.

We are all indebted to Valda for spearheading the High Tea at North Rocky High amidst some initial doubts. Thanks also to Elizabeth who organised the Blue Illusion event and Jennifer who organised the Working B with the NAB ladies.

Whilst our star is riding high, have we recruited any new members?

The Advocacy committee is using their grant to purchase a great collection of advertising materials, which we must use often to promote our cause. We must find suitable storage for the Club's equipment, but it must be easily accessible to all members.

The secondary schools are promoting the YWPA for us. Let's hope we have many entries as the due date nears next year.

I hope you'll agree that our timely and efficient meetings are giving us more time for fellowship. I reiterate that I want decisions made by the committees and taken to the General Meeting for ratification but not further convoluted discussion.

I have previously said that our Club (as with any other) is run by those who turn up, so to help with the decision making, you need to be present.

All our timetables seem to become frantic towards Christmas but leave some "me" time to recharge your batteries.

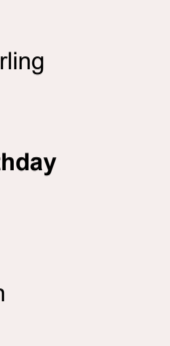

Look forward to seeing you all this month.

Best wishes,
 Meredith.

16 Days of Activism:

From 25 November, the **International Day for the Elimination of Violence against Women**, to 10 December, **Human Rights Day**, the 16 Days of Activism against Gender-Based Violence Campaign is a time to galvanize action to end violence against women and girls around the world.

In 2017, the Zonta Says NO to Violence against Women campaign will give Zonta clubs the options:

- To combat violence against women and domestic violence with the [Council of Europe Istanbul Convention \(Convention on Preventing and Combating Violence against Women and Domestic Violence\)](#) as the centerpiece.
- To focus specifically on human trafficking, a grave national and transnational human right's violation, with the [CoE Anti-Trafficking Convention \(Convention on Action against Trafficking in Human Beings\)](#) as the centerpiece.

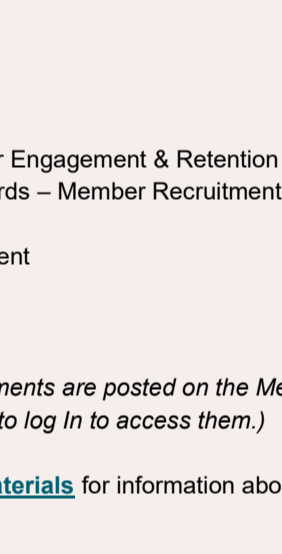

Breast Care Cushion Working Bee:

The working bee on Saturday 2nd December will require members who can

- Pin pattern to material and cut out
- Machine sew cushions (own machine)
- Stuff cushions with poly-fill
- Hand sew cushions

Any questions, please contact
Service Chair Jenny Loscher.
