Service Project – Breast Cushion

Working Bee We must set a date for a breast cushion working bee, as Margaret has none left

Membership Activity –

Please see tribute to Founder Member Dr. Laurie Trotter (Delbridge) attached

Thank you in advance that we make our guests/new members feel welcome at the next meeting.

Fundraising -

Planning is underway for;

It is proposed that on May 27th, we take up the opportunity to hold a raffle at the Victoria Point Sharks Football Club grounds as there will be approximately 3000 people attending the fixtures on that day. They have also approached one of their sponsors about the possibility of getting orange socks to be worn by the teams on that date. There was also a discussion about the possibility of having 'Zonta says No' on their football shirts next season. Helpers would be needed on the 27th May to sell tickets and have our Zollies in place.

Fashion Parade: this is planned for 17th June to be held at the Football Club. Catering will be done by Doolan Delights and the Fashion Parade will be hosted by 'Dress & Co'. However, we would need models for the parade.

- Nov Cup Day

March Meeting

Acting President Ros Beveridge welcomed member and guests. The guests to the meeting were Su Marshal, Carmel Gricks and Linda Rule

Guest Speaker – Su Marshall.

Su addressed the meeting and spoke about the Girls' Goals program which is run by Redlands Centre for Women. Su has been working with young people for over 18 years and has seen many sad cases. She is focused on wanting to work with young girls: girls are constantly wanting to 'fit in', Social Media now has a big impact on behaviour. Su spoke briefly about the program and how it is run and the change in the girls from when they started the program to when the program had finished.

Area Meeting: District Committee was contacted to advise that our Club wished to nominate to host the next Area Meeting. Beadesert also nominated. Since it is their clubs 30th anniversary, the Beadesert club was awarded the right to host the meeting.

The nominating committee, Janet Margaret and Gail, guided us through a rather complicated election process and after a ballot the following roles were unanimously confirmed

Relay for Life

BY the time more than 200 participants crossed the starting line at Cleveland Showgrounds on Saturday, April 29, Redlands Relay for Life 2017 was already well on its way to raising \$50,000 in aid of life-saving, cancer research.

Directly benefiting the work of the Cancer Council, Relay For Life events take place across the country throughout the year, providing an opportunity for communities to acknowledge local cancer survivors and their carers, and to honour lost loved ones.

Redlands' opening ceremony, hosted by deputy mayor Wendy Boglary, took place at 3pm on Saturday at the showgrounds in stunning autumn conditions.

Patron of Redlands Relay For Life mayor Karen Williams and the 2017 'face of relay' Caitlin Toovey cut the starting ribbon with Jill Bloomer, who organised the first Redlands Relay For Life 15 years ago.

Teams then took to the track and completed as many laps as they could before the closing ceremony on Sunday morning.

A survivors and carers afternoon tea, organised by the local Zonta club, took place not long after the relay's start, ahead of a moving candlelight vigil on Saturday evening.

The courageous teams were rewarded with breakfast and a yoga session after what proved to be an uplifting experience for an enthusiastic community of participants.

Those wanting to donate to the Redlands Relay For Life can do so online

DELBRIDGE, Laurie Peacefully passed away on Sunday, 26 March 2017, aged 93. Inspired many, sadly missed by family & friends. GEORGE HARTNETT FUNERALS Kelvin Grove 3356 4277

Published in Redlands City Bulletin on Apr. 5, 2017

Dr Laurie Trotter was a founding member of the Zonta Club of Wynnum Redlands. She was a strong supporter of young women and a pioneer of women in medicine in Queensland. In fact, she wrote a book about it, see below. She sold the book and donated the proceeds to our club.

Laurie was a small, quiet woman and it would have been easy to underrate her and her achievements. She walked long distances and competed in Masters Games and brought home piles of medals.

During the time I knew her she was an amazing person, quiet but strong, even after she had a debilitating stroke she persisted in living alone and maintain her independence for as long as possible.

Rest in Peace, Laurie, you have certainly earned it.
