

Zonta Club of Mount Isa

President's Report for August 2007

Hello ladies

Everyone must know that we have another new member since July. We are very excited to have you among us Tina(and it is not because of the shoes...)

PRESIDENT:
Frederique Glasco

VICE PRESIDENT:
Shannon Ward

District 24

Another month is rushing past and by the time you read this newsletter, the rodeo will be over and everyone will be recovering.

Thank you to the devoted ladies who took the fairy floss machine to the Happy Valley State School fete and to the ones who kept the machine running at the Mailman Express horse race on Thursday.

Friday, Saturday, Sunday didn't pass by unnoticed by our members working at the rodeo grounds, a lot of dust and activity with a great atmosphere and good times were on the menu.

Sonya has a superb venue ready for us this Wednesday, a new area of Terrace Gardens freshly opened, a perfect place to enjoy good company. We will have a poet among us and of course our area director Pam Graham visiting. Pam insists on meeting as many Zontians as possible, so hopefully everyone will be able to share the evening with her.

The committee for the "Zonta Awareness Night" in September is working hard organising the event and if you think of more potential guests names please bring them along for Cherry or Julia.

Looking forward to seeing all of you at the Wednesday meeting.

Frederique

August Meeting—Rodeo Theme

Newsflash!!

Remember that next Wednesday night our dinner will have the Rodeo Theme as we usually have each August.

Please wear your "Western Best" and we will be dining under the stars in the new and exciting outdoor area at Terrace Gardens. A jacket will probably be an optional extra.

(Horses may be tied at the corral - six-shooters to be checked in at the door!!)

We have also arranged for a special guest appearance by James Coughlan, Mount Isa's very own bush poet, for your enjoyment. See you all there.

Welcome Pam Graham—Area Director

Also at our August meeting, we will be hosting our Area Director, Pam Graham who is really looking forward to this visit. Make sure that we have as many members as possible there to give her a big Mount Isa welcome.

Nawamba House Presentation—Photo and Article

Did you see our article in the North West Star in July? A photo of Ralphene Sauer handing over the sheets and towels to Marlene Speechley at Nawamba House made it into the local paper; and our care packs delivered the week before also rated a mention. Well done everyone!

And a special thanks to Patricia O'Callaghan for the media release that resulted in the article ... it is great to see our PR and Communications team getting some local support.

Zonta Wine & Cheese Night Friday 14 September

Don't forget there is no regular meeting in September. The meeting will be on Friday 14th September at Outback @ Isa ...

Invited guests will share in some wine and cheese as we work together to raise awareness of Zonta International and the work we do both locally and internationally.
